

WE WANT YOUR MONEY!

BUT

not until you can say "Here is the dollar. You deserve it," not until we have earned it, not until you are willing to send it to us, not until you want to send it to us, not until you are satisfied to pay it, not until we have proven to you that we have what we claim, not until VITAE-ORE HAS DONE FOR YOU WHAT YOU WANT IT TO DO FOR YOU. Until then you pay us Nothing. After that you will be willing to pay, glad to pay, as hundreds of the readers of this paper, yes even thousands, have been willing and glad to pay. YOU ARE TO BE THE JUDGE. We leave it to you entirely for you to decide. If you can say that we, and Vitae-Ore, have earned your money, we want your money, as we say at the top but NOT OTHERWISE. How can you refuse to give this most remarkable of all remarkable remedies—a natural, curing and healing mineral ore—a trial on the terms of such a LIBERAL OFFER? If you need medicinal treatment of any kind, if you are sick and ailing, if anyone in your family is ailing, poorly, worn out, sickly, it is actually a sin and a shame if you do not send for Vitae-Ore upon the terms of this thirty-day trial offer. Read the offer! Read it again and again! Send for the medicine! Do it today! Each day lost makes a case older, obstinate, harder, hurts you more, pains you more. We take all the risk; you have nothing to lose.

WE WILL SEND TO ALL

Subscribers or readers of PROGRESSIVE FARMER's full-sized \$1.00 package of VITAE-ORE by mail, POSTPAID, sufficient for one month's treatment, to be paid for within one month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and doses of quacks or good doctors or patent medicines he or she has ever used. Read this over again carefully, and understand that we ask our pay only when it has done you good and not before. If not, no money is wanted! WE TAKE ALL THE RISK; YOU HAVE NOTHING TO LOSE. If it does not benefit you, you pay us nothing. We give you thirty days' time to try the medicine, thirty days to see results before you need to pay us one cent, and you do not pay the one cent unless you do see the results. YOU ARE TO BE THE JUDGE! We know Vitae-Ore and are willing to take the risk.

Vitae-Ore is a natural, hard, adamantite, rock-like substance—mineral—Ore—mined from the ground like gold and silver in the neighborhood of a once powerful, but now extinct, mineral spring. It requires twenty years for oxidation by exposure to the air, when it slacks down like lime, and is then of medicinal value. It contains free iron, free sulphur, and free magnesium. Three properties which are most essential for the retention of health in the human system, and one package—one ounce—of the ORE, when mixed with a quart of water, will equal in medicinal strength and curative value 800 gallons of the most powerful mineral water drunk fresh from the springs. It is a geological discovery, in which there is nothing added or taken from. It is the marvel of the century for curing disease as thousands testify, and as no one, answering this, writing for a package, will deny after using. VITAE ORE has cured more chronic, obstinate, pronounced incurable cases than any other known medicine, and will reach such cases with a more rapid and powerful curative action than any medicine, combination of medicines, or doctors' prescriptions which it is possible to procure.

Vitae-Ore will do the same for you as it has for hundreds of readers of PROGRESSIVE FARMER if you will give it a trial. Send for a \$1 package at our risk. You have nothing to lose but the stamp to answer this announcement. We want no one's money whom Vitae-Ore can not benefit. You are to be the judge! Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires a cure and is willing to pay for it would hesitate to try Vitae-Ore on this liberal offer? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. We mean just what we say in this announcement, and will do just what we agree. Write today for a package at our risk and expense, giving age and ailments and mention PROGRESSIVE FARMER, so we may know that you are entitled to this liberal offer.

SAVED HER LIFE.

One Package Only Needed to Prove Its Great and Wonderful Curative Power.

I was taken down with a Fever a year ago, which resulted in Dropsy and Kidney Troubles, and after a time I became afflicted with Tonsillitis and Heart Trouble. My feet and limbs were so swollen I thought they would burst; there seemed to be an ulcer in my stomach, and I had no appetite whatever. I was treated by two of the best doctors in this country, but they did me no good. One of them said that I must have to go to

Hot Springs and have an operation performed on my throat before I could be cured. I was in a horrible condition, and did not think I would live to see another winter. I sent for a trial package of Vitae-Ore, but had small hopes of its helping me, for I thought I was beyond the reach of medicine. I began taking V.-O. and after three weeks' use the swelling was disappearing and my throat was well; my heart was beating normally and the color had returned to my face; the fever had left and I had regained my appetite. After taking two packages of Vitae-Ore I was in better health than I had been for ten years; I felt like a different woman entirely. I cannot praise V.-O. enough, and even though I were to write a week I could not tell all it did for me. It has saved my life, and I tell all my friends, as well as the doctors, who are surprised at my improvement, that Vitae-Ore has cured me. I also advise those who are ailing and wish to get well to take it as I did.

I have since used it for Piles and three applications effected a cure. I have used it in my family for Colds, Fever, Cramp and Ulcers, and I find it good for all; in fact I think it is the finest general medicine in the world. We cannot do without it.

Come Let Us....

Reason Together!

This is a full page advertisement. It cost money to run it—many hundreds of dollars. We have had many more in this publication—an average of one every month for a number of years. You have seen it—all of you have. What does it prove? All Vitae-Ore advertisements must be paid for with Vitae-Ore money, and all Vitae-Ore money comes from and out of Vitae-Ore patients that are satisfied, that are benefited, that are cured. All Vitae-Ore is offered on thirty days' time. No one pays for it unless they are benefited. We could not continue this advertising, could not spend thousands of dollars every month, month after month, year after year, could not send out thousands of trial packages every day, if Vitae-Ore did not satisfy, did not cure, and the people did not pay for it. We pay Uncle Sam's Government \$5,000 every month for postage alone, as Uncle Sam's postmaster at Chicago can tell you. This alone requires five thousand satisfied patients every thirty days to pay postage only, five thousand persons who secured a trial package on our terms and were benefited or cured and paid for it. Consider that this \$5,000 is only for postage. There are thousands of dollars more paid for advertising, for help, for labor, for machinery, and all of these thousands are paid by cured and satisfied Vitae-Ore patients. All the money comes from such. Let us reason together! What greater argument can we offer, what more can you wish, what additional proof need we show? Our very existence, the stability and growth of our enterprise, depends upon each treatment satisfying, each patient paying for it. Think it over! Reason it out for yourself! Doesn't it all show that you must in justice to yourself, your friends, and those about you, in justice to our claims and our remedy, send for a package of Vitae-Ore on trial, as we offer it to you? We take all the risk.

A GOD-SEND TO THE AFFLICTED

So Writes Rev. A. M. Gregory, of Oneida, Tenn., Whose Boy's Life It Saved.

Does Your Boy Need It?

My little boy, seven years old, was afflicted with Liver Complaint for more than two years. Two local physicians treated him, as did also a well-known traveling specialist who has quite a reputation for treating such diseases, having successfully cured a number in this section, but, strange to say, my boy's case baffled them all, and he continued to grow worse instead of better. I had begun to despair, not thinking he

could ever be cured and feared for his life when, by chance, I noticed the Liberal Vitae-Ore offer to send the thirty-day trial treatment without a penny's risk. I had never thought that there was virtue in advertised treatments and would not have accepted this offer did it not read fairly and plainly, and I felt certain that the Company behind it could not afford to pay for such large advertisements unless the treatment did what was claimed and the patients paid for the medicine. I sent for the package and after giving it to the boy for ten days I could notice a little change for the better in his condition. By the time the entire package was used he could eat heartily, go to school and run about and play with the other boys, which he had not done for six months previous. Vitae-Ore is certainly a great medicine. I consider it a God-send to the afflicted believing it saved my boy's life, and will speak a good word for it whenever I can. I should like to have the world know what it accomplished for my boy for the benefit of all suffering humanity.
